

5th INTERNATIONAL WATER &
WASTE WATER EXHIBITION

📅 **11-13 July 2023**

📍 **Landmark Centre, Lagos - NIGERIA**

5th WEST AFRICA WATER EXPO

THE ONE & ONLY WATER EXHIBITION IN WEST AFRICA

West Africa Water Expo: 5th International Water & Waste Water Exhibition which is organized by Elan Expo will be held on 11-13 July 2023 at Landmark Center in Lagos, Nigeria.

“WATER IS THE LIFE”

Nigeria is one of the biggest countries in Africa with its increasing population and annual GDP rates. With the increase in the population, the urbanization process is speeding and the local people have low-level access to improved water sources and sanitation. Wastewater Management in Lagos State as the case in other parts of Nigeria is minimal, with only a fraction of wastewater being treated.

Sanitation systems currently used in Lagos State include both government and private facilities. The government cannot afford to fill the gap that exists between the current capacity of the state water corporations and the required daily volume for the state's use. According to the government, the private sector is thus encouraged to invest in the sector.

“NIGERIA IS NOT A WATER-POOR COUNTRY, THERE'S A NEED FOR MORE INVESTMENTS.”

The General Manager of ELAN EXPO Mr. Suer AY illustrates his opinions about the **Nigerian Water industry** as; “Nigeria is not a water-poor country, it needs more investments. Nigeria produces 1800m³ of water per capita annually; there are enough water resources for domestic, industrial, agricultural, hydropower, transportation, and recreational uses but there is more need for modern wastewater treatment facilities during the rapid urbanization process. In this year's **Wave Expo 2022** we served the local people to meet international suppliers for **water and wastewater treatment, water distribution equipment, water meters, household water systems, water pumps, and other plumbing installations.**

West Africa Water Expo 2022 attracted **140 brands**, representing companies from 19 countries, as well as more than **3800 visitors** throughout the World: **Algeria, Austria, Belgium, China, Germany, Ghana, India, Italy, Japan, Lebanon, Nigeria, Poland, Russia, South Korea, Spain, Turkey, United Arab Emirates, United Kingdom, United States.** Local and international sector giants showcased their newest technologies and products such as **Pygar, Samsung, Artech2000, Daikin, Era Group, Carrier, Isib Turkish Hvac-R, Kazancı Environmental, SBS, Esli Pollet Water, Vts Clima, Desiccant Rotors International, Üntes Air Conditioning Systems, Ksb Pumps And Valves, Emc, Unotelos, Pimotech, Tam Güç Cooling Systems, Termokon, Srovan, Officine Mario Dorin, Faisal Jassim**

Trading, Mohinani Group, Wilo Pumps, Profholod, Airzone, Ksr Power, Linkcity Gas, Century Mechanical Systems Factory, Lg Electronics, Wyckomar Nigeria, Laryze Technical Company, Venturi Water Solutions, Andritz, Seagle International and more.

West Africa Water Expo 2022 was also officially supported by many valuable associations such as the Lagos State Wastewater Management Office, the Nigerian Norwegian Chamber Of Commerce, the American Society of Heating, Refrigeration and Air conditioning Engineers Nigeria (**ASHRAE**), Association of Professional Women Engineers of Nigeria (**APWEN**), Nigerian Society of Engineers (**NSE**), Nigerian Institution of Mechanical Engineers (**NIMECHE**), Nigerian Institution of Builders (**NIOB**), Nigerian Institution of Civil Engineers (**NICE**), Nigerian Association of Refrigerator and Air-conditioning Practitioners (**NARAP**), Abuja Chamber Of Commerce and Industry (**ACCI**), Nigeria Belgium Chamber of Commerce (**NB**).
